415-203-6025

Cancellation Policy _____
Initials

Keeping your appointment is an important commitment to your health. However, if you need to cancel or change an appointment, please be sure to do so 24 hours in advance so that another patient can be accommodated.

All appointments that are rescheduled or cancelled with less than 24 hour advance notice, and appointments missed without notice, will be charged the full fee for your appointment. If appointments have been purchased in a package, the missed, cancelled or rescheduled appointment will be deducted from the number of remaining appointments in that package.

Payment Policy _____
Initials

Payment in full is due at the time services are rendered. If Connie Lock-Bouvier, LAc is out of network with your insurance carrier, a Superbill can be provided. A Superbill is an invoice for your visit that uses standardized codes for all of the treatments performed. This process requires the patient to pay the full cost of the treatment out-of-pocket at the time of the visit. The Superbill can thereafter be submitted to your insurance carrier for full or partial reimbursement depending on your policy. Patients wishing to make use of this service should check with their insurance carriers to be sure that Superbills are accepted and that their plan has acupuncture coverage.

Confidentiality Policy

Your patient records and patient information will be kept confidential and shared only when necessary to provide care and services, by your authorization, or when required or permitted by law.

I understand the confidentiality policy:
